The Apple Creek Golf Course no longer has banquet space to accommodate a sit down meal or prize presentation. We have found over the years that players enjoy the event and like the fact they can leave following golf. The food stations have been a huge success and we look forward to enhancing your event. However, Tournament participants are welcome to enjoy the Apple Creek Arcade before or after their round of golf.

If you would like to have an outdoor prize presentation, we have a beautiful gazebo area overlooking the Driving Range equipped with audio. Please discuss with our management team prior to your event.
